Horns Horns Horns!!

The core of the band's sound is in the horn band classics.

This is the sound that has its roots in bands like Chicago, BS&T and Earth Wind & Fire. Echoes of that sound are heard in the music of Stevie Wonder, Miami Sound Machine, Little Feat, Santana, Bruno Mars, and even Train. The band's full repertoire includes five decades of classics, current horn band favorites, and lots more. Nobody goes away disappointed.
