

Weddings and small venues:

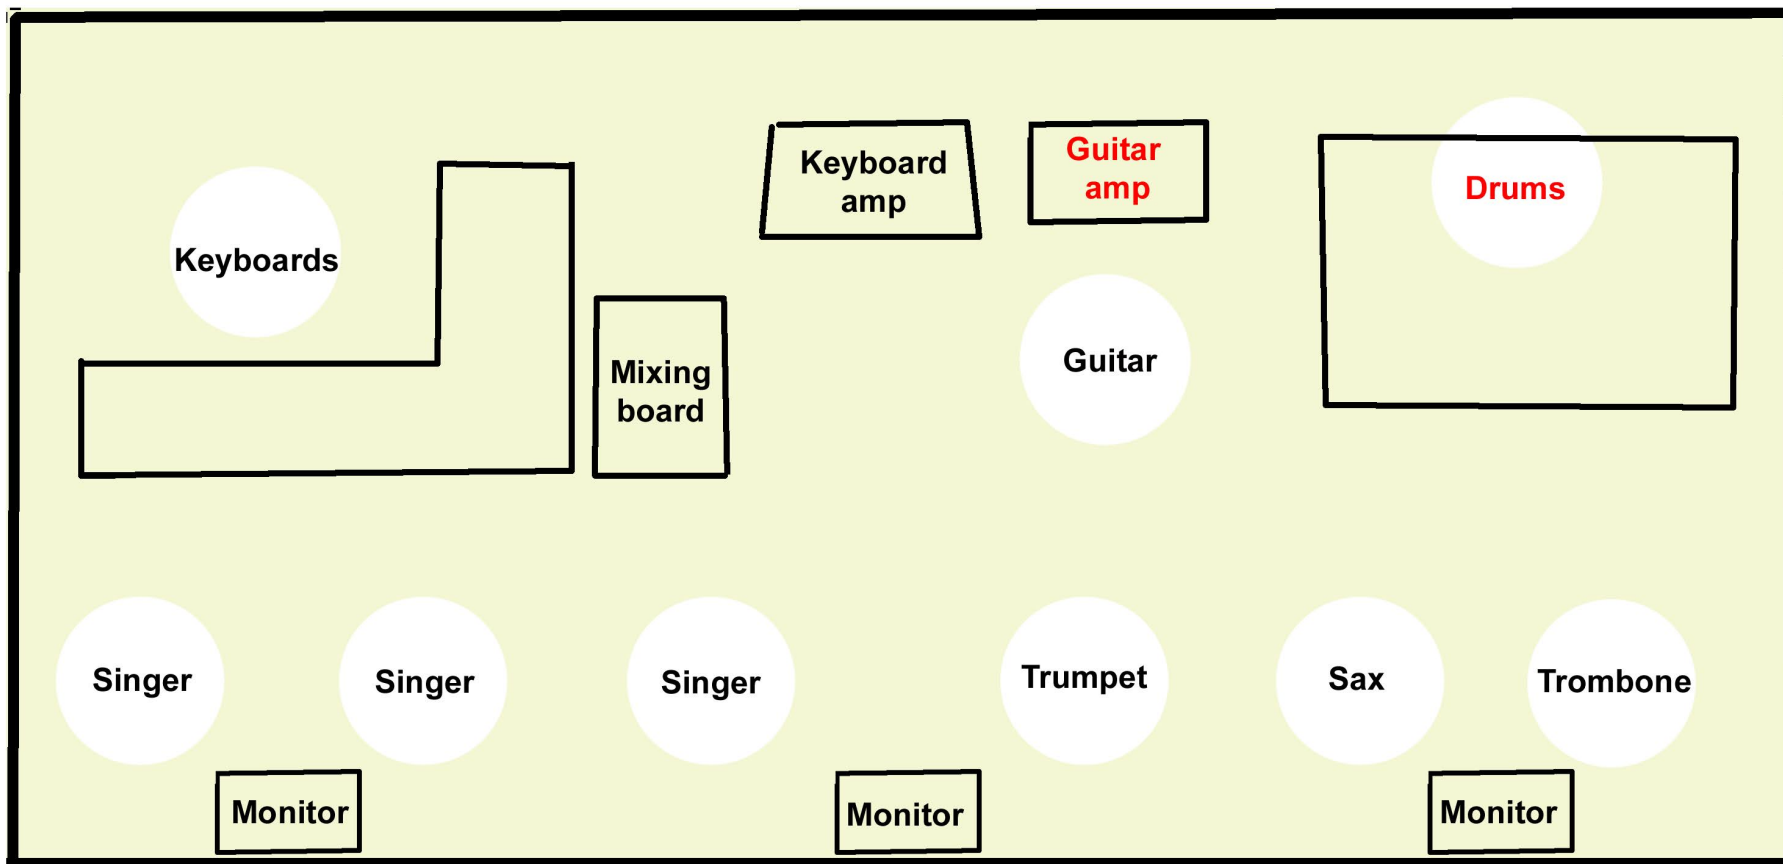

Band provides all required equipment including wireless microphones, main speakers, monitors and stage lighting.

Minimum stage size required is 9x18.

Concerts or clubs with in-house sound:

Band sends one line out for the entire front line, and one line out for keyboards, including kbd bass. A drum riser is NOT requested or preferred.

House mics needed only for guitar and drums.

RETROSPECT STAGE PLOT

9'x18' - 10'x20' - 12'x24'
